# **Global Tax Survey: Beyond BEPS**

## Deloitte's annual multinational survey 2021 – at a glance

#### Tax governance remains high on the **Board agenda**

74% are concerned about the continuing high interest of media, political and activist groups in corporate taxation, (79% expect such interest to increase following COVID-19 pandemic).

76% of Boards are actively engaged in tax governance.

### COVID-19 is expected to lead to tax raises and tax disputes

52% expect that the COVID-19 pandemic will increase the corporate tax liability of their group over the medium term.

90% expect more tax disputes as a result of large government deficits due to COVID-19.

Businesses are beginning to react to the increasing tax transparency requirements

33% of respondents expect to increase their level of voluntary tax transparency over the next

45% intend to align their groups' external communication in relation to their tax performance with transparency standards, such as GRI 207, World Economic Forum, or other standards.

Taxation of digital economy remains a 'hot topic' for many

41% of groups have been actively engaged in the OECD's Pillar1/Pillar 2 project consultation either directly or through other channels.

62% of groups are concerned that a possible outcome of the OECD's Pillar 1/ Pillar 2 project will be an increase in their corporate tax liability.
